

Good Morning,

Exclusive Paving and Rady Concrete have begun pouring the sidewalk. Yesterday we put in the first section between 6th Ave and 7th Ave in front of Wells Fargo. The curb on both the west and the east side of Cushman from 1st Ave to 7th Ave has been completed. The crews are working toward 12th Ave on grade for more curb and sidewalk. When the curb is complete Exclusive Paving will prep for asphalt and begin paving. Paving is expected to begin in approx. 10 days. The project will not be completed by September 30th, but will be completed before winter is in full swing. The crews will be working until all sidewalk and asphalt is complete as originally planned.

Traffic Control is working on getting some intersections open as we complete sidewalks. All sidewalks will be opened after 24 hour cure period and when it is safe for public to travel on them.

As of today intersections that are open are 1st Ave , 2nd Ave ,3rd Ave, and 5th Ave.
Traffic control is working on getting 6th Ave, 7th Ave and 10th Ave open as soon as possible.

Thank you for your cooperation through this construction project.
